

DONATE YOUR CAR AND CHANGE LIVES

Vehicles for Change is the only organization that has repaired and awarded over 750 cars to low-income families in the past 24 months. The majority of VfC recipients are single mothers with two or more children. They want desperately to provide for their children. Without transportation it is impossible to take children to daycare and get to work. Your donated car can change their lives and help put them on the road to financial independence.

Those receiving cars obtain better jobs and take children after-school, athletic and recreational activities never before possible. (See survey results ... Changing Lives)

VfC meets all the State and Federal requirements to assure your donation is tax deductible per IRS regulations.

If you live in Maryland, Virginia or surrounding areas and want to donate your car complete the form below and fax it to 1 410-242-9677 Or email to INFO@VEHVFC.COM Or contact VfC at 800-835-3821. We will schedule your free pick-up within a few days.

Please note that all cars are not awarded to recipients. It depends on the condition, year and mileage of the vehicle. If your car cannot be used it will be sold and *100% of the funds received will be used to repair other cars.*

Thank you from all the families receiving cars from Vehicles for Change.

NOTE: Donated cars need to be 1993 or newer unless in very good condition, running and no major problems. Titles and keys are required on all cars donated. The donor, as per the IRS determines your donation value. Donors can review the potential of their donation by looking on the Kelly Blue Book site at www.kbb.com.
