Vehicles For Change Donation Form

Please have the keys, title and lien release (if applicable) ready for the tow company. Use this check list to prepare:

- Sign and print your name on the title as the seller, exactly as your name appears on the title.
- List Vehicle For Change as the buyer on the title. Vehicles For Change will complete the remaining fields as needed.
- Copy or scan both sides of the signed title for your records.
- Remove license tags, and return them to the Department of Motor Vehicles before cancelling the insurance.

Please note: We must have the title to complete your donation. Fill in only the buyer and seller fields. The Department of Motor Vehicles is very strict about titles. They will not accept titles that contain errors or have information scratched out.

Please complete the following form and return it to Vehicles For Change. Donation forms may be faxed, emailed or mailed. You will receive email confirmation when we receive your donation form. Within 24 hours of VFC receiving your donation submission, a towing company will call you to schedule a free pick-up. Pick-up is typically scheduled within 3 days (except during December and early January).
