**To Create a Just World Where Everyone has Equitable Access to Life's Opportunities.**

Greetings Friends!

Join us for an extravagant night of live music, fine dining, and mission-driven fun. We are delighted to invite you to sponsor our 5th Annual Custom Cars, Cocktails, & Change (C4) Signature Masquerade Gala Fundraiser. Our illustrious gala will take place on October 26th from 6 p.m. to 9 p.m. The event will feature a Classic Car Exhibition, a Car Award, a demonstration of our Virtual Reality Training Program, and special recognition for the Full Circle Graduate of the Year.

The mission is to assist families in achieving personal and financial independence through car ownership and technical training. Our Car Awards Program provides needy families with a safe, dependable vehicle to help them develop independence and self-sufficiency. We are pleased to report that this program has changed over 26,000 lives and provided almost 8,000 automobiles. Our Full Circle Auto Repair & Training Program educates and places every graduate in a job that pays a living wage. The program has a 90 percent completion rate and a recidivism rate of less than 5 percent. Our employment placement rate of 95 percent is our final “key to success.” Vehicles for Change a 501(c)(3) nonprofit organization and pride ourselves in being the only organization that effectively and simultaneously addresses these issues.

Please review the sponsorship packet that is enclosed. As we expand our reach, your sponsorship will assist us in continuing our mission to end generational poverty and “Change” lives. If you are considering becoming a first-time sponsor, we welcome your support and thank you for endorsing our mission. For our returning sponsors, we appreciate everything you’ve done, are doing and will continue to do to help Vehicles for Change. The fruits of your donation are evident in the immense work we have been able to do in the past year. We truly value your aid and are grateful for you all.
